### STOCK NOW COMPLETE

Owing to several of our customers coming in and purchasing just part of a set, either a muff or a stole, many of our finest sets got broken up.

We have now had these carefully matched with the best quality latest style goods, and have filled up other deficiencies in the assortment.

This enables us to offer our patrons the most complete, up-to-date and most handsome selection of high quality Fur goods obtainable.

We extend a cordial invitation to those who have called on us and have been unable to find what they want, as we can now supply them.

#### GUARANTEE:

We absolutely guarantee every Fur see or Garment sold by us. and to be complete satisfaction to every pur-

Most men look upon fur buying with dread, and with some reason it must be admitted. In normal times the outfitting of the family with furs is liable to prove a mighty expensive proceeding.

It is men who have had this experience who will see a solution to this pocket draining buying in our big sale of Glassco high grade furs.

He can get every member of the family just exactly the furs they want and not have to pay any more for them than if he was buying cheap furs. Moreover, he is ridding himself of fur buying for years to come, because the well-known high quality of Glasseo Furs ensures a long season of comfortable, stylish, satisfaction.

Drop in and examine the stock, no matter whether you contemplate buying or not You will find pleasure in looking over the many furry beauties in our store, and we will find pleasure in showing them to you.

## Busy Days

T HESE events combine to make January one of the best shopping months of the whole year.

January is naturally the mercantile clearance month—the month when stocks must go down. Stocks must be reduced to prepare properly for the incoming Spring goods. Best way to reduce stock is to reduce prices. And right here at The Right House right now shoppers are enjoying a carnival of low priced bargains—unequalled, unrivalled anywhere, considering the quality of the merchandise.
